

Safety Committee Update & Awards Presentation

February 21, 2018

Co-Chairs: Dana Svendsen, Sherman & Howard
Tom Woerdeman, Transit Mix Concrete

Strength
in Numbers

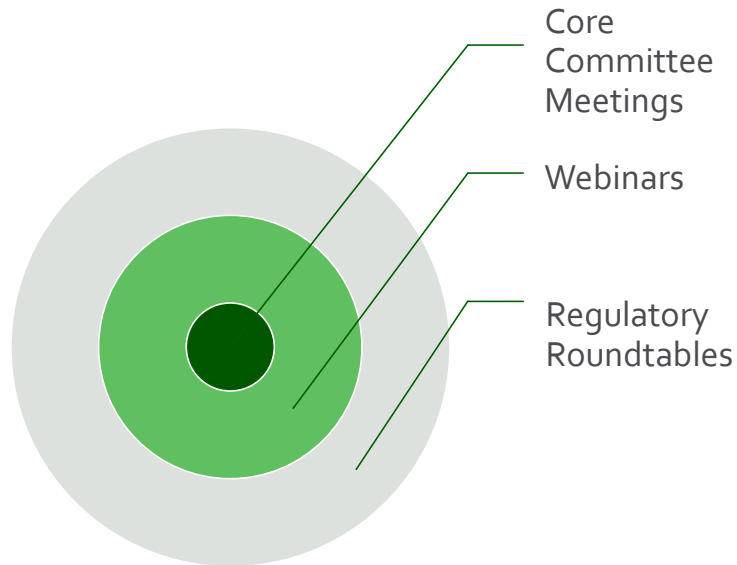

Committee Objectives

- Provide a forum for members to discuss safety and regulatory issues
- Maintain strong working relationship with regulatory agencies (OSHA, MSHA, DOT)
- Promote training through the Mine Safety Institute's Learning Management System and DVDs
- Increase statewide committee participation
- Explore avenues for increased mixer driver safety
- Recognize safe operating practices through awards program and increase number of award nominations

Strength
in Numbers

3-Fold Committee Structure

Bi-Monthly Core Committee Meeting

- Meetings occur on the second Thursday of every other month from 11:30 a.m. – 1:00 p.m. at the CRMCA/CSSGA offices
- Dial-in option is always available
- Meeting Structure:
 - Committee Updates (Deadlines, Regulations, etc.)
 - Member Updates (Safety Updates and Encounters)
 - Upcoming Topics (Schedule and Brainstorming)
- Goal: Increase Core Committee participation in 2018

Webinars & Trainings

• 2017 Webinars & Trainings:

- What you Need to Know about OSHA's New Rules
- The New Silica Standard: Assessing Exposure in High Hazard Work Environments
- OSHA Recordkeeping Requirements: Electronic Submissions, Incentive Programs, and Drug Tests
- Small Concrete Crew Safety Considerations with Mixer Trucks
- 56/57.18002 Workplace Inspections & Off-Road Tire Safety (Alliance with NM)

• 2018 Proposed Webinar & Training Topics:

- NRMCA – National Safety and Regulatory Trends
- NSSGA – National Safety and Regulatory Trends
- MNM Workplace Exams
- Enforcement of Construction Regulations
- Silica

Regulatory Roundtables

August 2017 MSHA Regulatory Roundtable

- **Goal:** Clearly understand regulatory agencies' initiatives, priorities and areas of emphasis while creating open, positive dialogue with industry.
- **OSHA**
 - Breakfast with OSHA previously hosted with CCA and held at the association offices
 - Regulatory Roundtable scheduled for February 22 with Compliance Assistance Specialist, John Olachea
- **DOT**
 - Roundtable tentatively planned for Q2/Q3 of 2018
- **MSHA**
 - Annual regulatory roundtables have been held since 2015
 - Roundtable tentatively planned for Q3/Q4 of 2018
