Joint Safety Committee Mission

- Develop and implement programs for CRMCA/CSSGA members
- Distribute info on regulatory compliance and administration of health and safety programs
- Provide input on safety and health issues to MSHA & OSHA as required
- Develop relationships with other committees and organizations

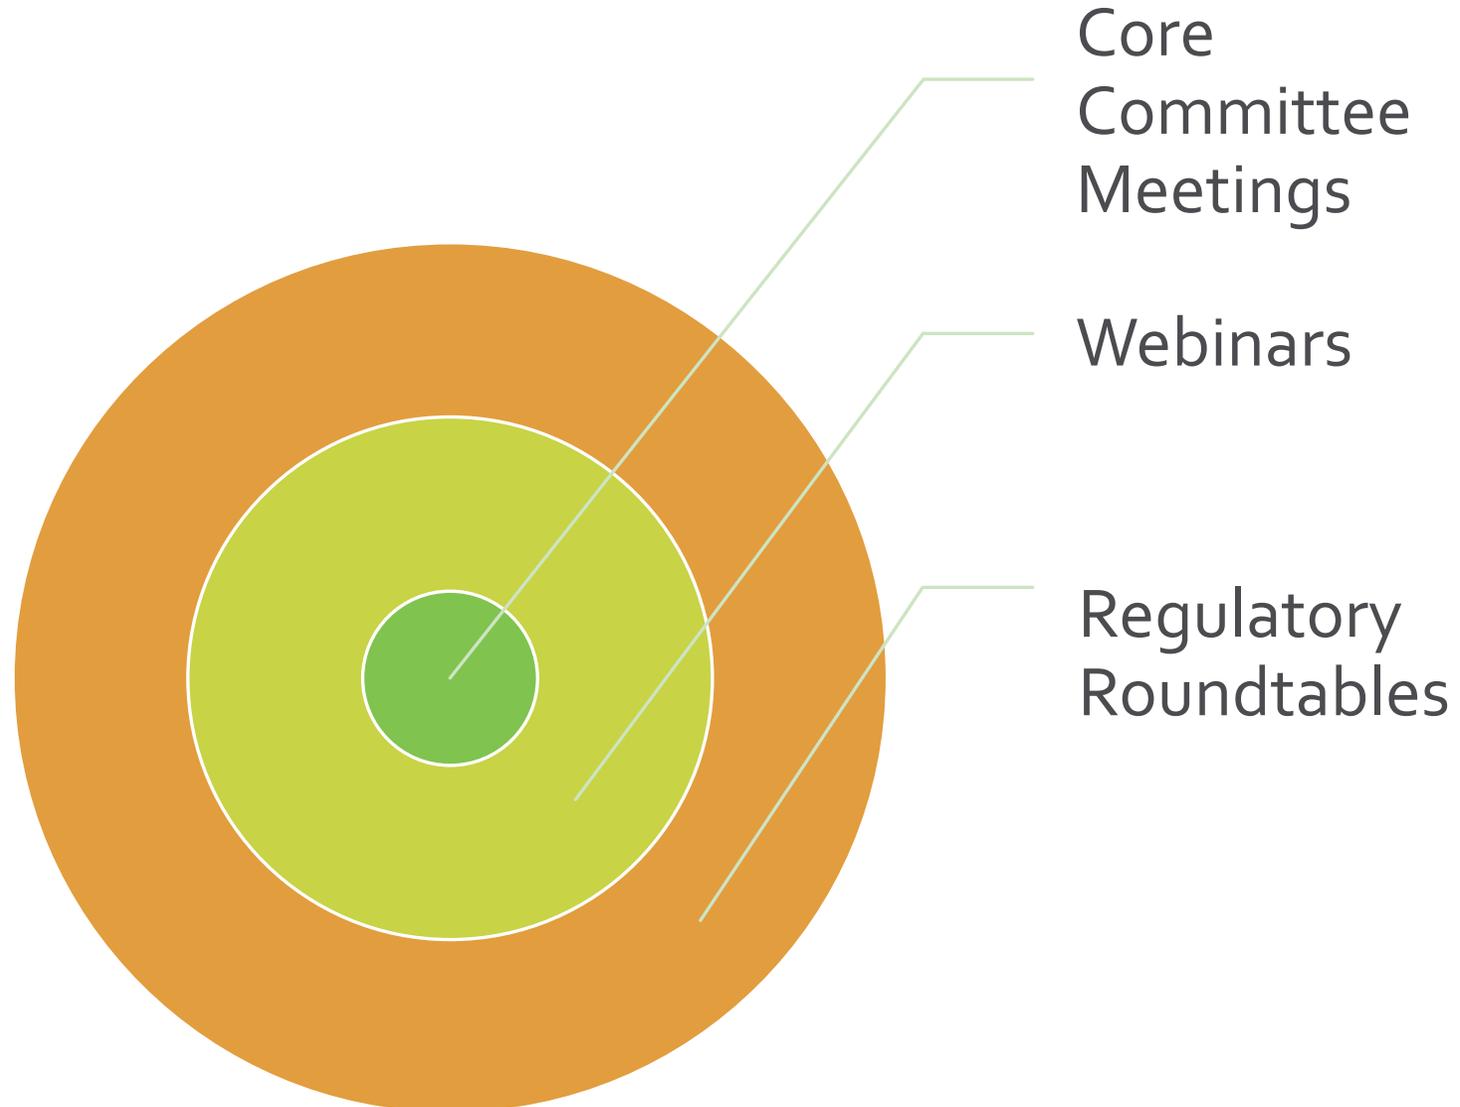

Provide	Provide a forum for members to discuss safety and regulatory issues
Maintain	Maintain strong working relationship with regulatory agencies (OSHA, MSHA, DOT)
Continue	Continue to provide relevant training to a wide range of members through webinars and trainings
Finalize	Finalize Brookwood Sago Grant project and develop video integration plan for Mine Safety Institute
Continue	Continue to build collaborative relationships with other industry groups (NSSGA, NRMCA, CSA, CSRA, CCA etc.)
Pilot	Pilot Mixer Truck Driver Championship in 2022

Committee Objectives

--> 2022

3-Fold Committee Structure
